NEXT REGULAR MEETING OF MRAC scheduled for Thursday September 13 1984

1984 FIELD DAY CHAIRMAN Patrick Hoppe, KA9OIZ, after working all day Saturday, came out Saturday evening and stayed on the job until the finish. Operation on June 23-24 was on the hilltop of the Old Nike Site north of Lannon.

Our thanks to all who participated including:

Bryan Jusak	Mike Robinson N9EAX	Tim Hendricks WB9ZKU
Peter Lehmann	Jerry Reidel KA9AJF	John Lorbecki KA9DNL
Pat Hoppe KA9OIZ	Ron Jolliffe WD9FCH	George Philbert KA9MXM
Dick McNew WB9PTC	Frank Beider WD9GZI	H Charles Kaetel W9SNK
Ed Makowski N9BKB	Chris Welton WD9GZL	Fred Mikolajewski KC9WW
Reid Whipple K9IWC	Ralph Parker WA9MLY	Dick Schlatterer KA9MTY
Ted Stiller WA9RDI	Jerry Melotik KC9EV	Steve Schwendtner WB9ZKT
Dave DeFebo WB9BWP	Jack McLeland W9ATK	Brad Shreffler WD9GJU

And very, very, special thanks to Ted Stiller, WA9RDI, for the use of his generator, which performed perfectly, while the MRAC generator was our standby. Ted's energy and efforts in setting up, in Hoppe's absence was terrific. And then Ted put on his chef's cap and prepared the meals for the whole crew! The club supplied the food this year. Our total score 609.

AND THUS MILWAUKEE RADIO AMATEURS CLUB completes 66 years of service to our hobby. Our first President, DR. L.S. Hillegas Baird, 9HO, is mentioned in ARRL history books as one of the founders of the League! And to this day we continue to tackle the problems of our hobby, such as the No-Code license and are currently engaged in seeking a fair division of the examination fee between the Volunteer Examination Coordinators and the Volunteer Examiners to cover, at least, a portion of the cost burden we are taking on. And we remind you that your MRAC is:

MRAC - a Very Special Service Club for over 66 years!
